This form must be returned to the Eberly College Graduate Records Office by 4:00 p.m. on the next business day following the defense.

Each member of the Committee must sign above and mark pass or fail for the oral defense. Approval of the oral defense is distinct from approval of the final written document. Committee members must sign a separate ETD form to indicate approval of the written thesis/dissertation document (a student may pass the oral defense yet not receive final committee approval document until a later date). The thesis or dissertation requirement is not complete until final acceptance of the ETD by the WVU Library.
